CONTACT PHOENIX BONDS

We are **your home loan specialists** but we also offer a range of other financial solutions where you can compare multiple offers. Our solutions include:

- RESIDENTIAL HOME LOANS
- COMMERCIAL BONDS
- HOME INSURANCE
- VACANT LAND
- DEVELOPMENT (MOTHER) BONDS
- LIFE INSURANCE
- BUILDING LOANS
- DEVELOPMENT APPROVALS
- BOND INSURANCE
- REFINANCING

Why use an Originator?

Advantages of going through an **originator** as opposed to using your **private banker**:

- Receive up to 6 different bank quotes
- Negotiate a better interest rate (keep your bank honest)
- Have a direct line to the correct department at all the banks
- Get feedback within 2 days

In addition, our services are completely **FREE**. We receive commission from the bank upon registration of your home loan - all the banks pay the same, so you can be assured that we will not favour one institution over another. We simply advise on the bank that is best for you.
